Thanks - I'll take a look at the changes and talk to Rich on Monday. I am pretty sure that this has not yet been reviewed by ORC.

Folks, these documents were very well done. My edits for everyone's review were incorporated with Jerry's mark-ups of Rich's last draft of 7/10/12. My comments are intended to help: 1) clarify; 2) ensure consistency with prior public statements; and, 3) bolster the conclusions we are trying to draw. If we need to discuss the mark-up, let's try and do that Monday. If no discussion is necessary, please just send me a final copy of the document as soon as possible as I need to discuss with Ron who if anyone in HQ we want to review the Executive Summary.

By the way has Humane or someone from ORC reviewed the earlier draft? Thanks, den.
